

BUENOS AYRES

We invite particular attention to the diplomatic... Chevalier Huelsmann... principles therein avowed...

The territorial extent, the population, the resources of Hungary... we do not entitle it to a place in the second class...

Writing the fact of its isolated position, indented in the centre of a vast continent... we have proclaimed from access to the Ocean...

That the traffic of slaves, and the trade in slaves without favor or partiality...

That the traffic of slaves, and the trade in slaves without favor or partiality... we have proclaimed from access to the Ocean...

According to this compromise of the 13th July last, it was understood... 1st. That Y. E. would present to the Brazilian Parliament...

2nd. That the punishments which might have for their object the detention of the crew... 3rd. That the compensation for the vessels...

4th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 5th. That the compensation for the vessels...

6th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 7th. That the compensation for the vessels...

8th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 9th. That the compensation for the vessels...

with deep interest. We have often predicted that the infamous traffic would certainly recede on the head of the Empire...

Ministry of Foreign Affairs. Note of Complaint of Africans. No. 2.

Most Excellent Sir, The law against the traffic of Africans, of the 4th September last, having passed in the Brazilian Parliament...

Y. E. having told me, on the 13th July, that your Majesty's Commissioner in Bahia for the purpose of carrying into effect the provisions...

Y. E. and myself understood that the Imperial will and law would be faithfully and duly executed.

That there would be no consideration of any kind with the traffickers in human flesh. That the traffic of slaves, and the trade in slaves without favor or partiality...

The laws of this Empire, and the treaty between Great Britain and Brazil for the suppression of the slave-trade...

1st. That Y. E. would present to the Brazilian Parliament a Bill that would enable the Imperial Government to take possession of the vessels...

2nd. That the punishments which might have for their object the detention of the crew... 3rd. That the compensation for the vessels...

4th. That the compensation for the vessels... the Imperial Government found itself provided with the powers...

5th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 6th. That the compensation for the vessels...

7th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 8th. That the compensation for the vessels...

9th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 10th. That the compensation for the vessels...

11th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 12th. That the compensation for the vessels...

13th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 14th. That the compensation for the vessels...

15th. That the compensation for the vessels... the Imperial Government found itself provided with the powers... 16th. That the compensation for the vessels...

diffused a deep-rose discontent throughout all the Province, which finds a ready means in the host of opposition journals...

Senor Breves, a wealthy Brazilian politician, and ardent partizan of the slave-trade...

THE UNITED STATES.—Our dates from Boston reach us on the 15th January; but contain little of general interest...

Some attempts having been lately following by sanguine youths to incite the negroes in South Alabama to insurrection...

The Post has applied the Hon. Robert Staines, of Old Minister to Brazil, that it is an appointment which will meet with the hearty approbation of every Waig in the United States...

The new postage Bill provides a uniform rate on each letter, not weighing more than half an ounce of three cents...

AMERICANS SUBJECTS TO INDUSTRY BY THE GOVERNMENT OF BRAZIL. A letter to a friend dated 18th July 1851...

"I have just returned from the beautiful and simple service in our little American chapel, the invitation to the communion having been given me accordingly...

"The Catholic Archdiocese of New York, Dr. Hughes, has lately preached, in England, a discourse in favor of the largest toleration of religious opinions...
