**Notice to Mariners.**

**DEVAAR LIGHTHOUSE.**

The Commissioners of Northern Lighthouses hereby give Notice that a Lighthouse has been built upon the Island of Devaar, the Entrance to the Bay of Campbelltown, in the County of Argyll; the Light of which will be exhibited on the Night of Monday 10th July 1854, and every Night thereafter, from the going away of daylight in the evening till the return of daylight in the morning.

The following is a Specification of the Light-house, by Mr. Dalrymple, Engineer to the Commissioners.

The Lighthouse is N. Lat. 55° 20' 45", and W. Long. 5° 32' 17".

The Day Light is to be shown to Mariners as a REVOLVING LIGHT, which shows a bright white Light once every half minute.

The Light is elevated about 120 feet above the level of high water of ordinary spring tides, and may be seen at distances of 15 nautic miles, and at lesser distances according to the state of the atmosphere; it is never observed in other circumstances, the Light will not wholly disappear between the intervals of greatest brightness. The Air being affected by the Light extends from about S. E. by compass, to about W. by N. and faces northwards.

And the Commissioners hereby further give notice, that Her Majesty's Order in Council, dated 29th December 1853, was pleased to order and direct that, upon the Erection and lighting of the said Light upon the Island of Devaar, there should be paid, in respect thereof, for every Vessel belonging to the United Kingdom, and which by any Act of Parliament, Order in Council, Convention or Treaty, shall be privileged to enter the Ports of the United Kingdom, upon paying the same Duties of Tonnage as are paid by British vessels, the same not being navigated wholly in ballast, which shall pass or derive benefit from or said Light, that any Port or Place in the Bay or Loch of Campbelltown, if the barthen of the same shall not exceed Fifty Tons, and any other vessel which shall exceed Fifty Tons, for each additional Fifty Tons, or part of Fifty Tons, Sixpence.

And Her Majesty was further pleased to order and direct, by the said Order in Council, that in respect of the said Light on Davar, and in respect of the said Light in Loch Ryan, on the south side of the Basin of the Clyde erected by the Said Commissioners, the said Light shall be exhibited and regulated as described, and under the exemptions aforesaid, which shall operate on a distinct Vessel within the Basin of the Clyde bounded by a line drawn from the Point of Corraswell to Glensira in Ireland, on the south east and from the Mull of Kintyre to Fairhead, in Ireland, on the north-west, and on all other sides by the coast of Scotland surrounding the said Basin, a similar rate of Toll to that above set forth, being at the rate of Three-pence per cwt.

Double the said respective Tolls for every Foreign vessel not privileged as aforesaid.

Provided always that no vessel shall enter or departing from any port or place within Loch Ryan, or within Campbelltown Loch, and paying the rate for such respective voyages, shall not in addition be liable in payment of the rates for navigating the Basin of the Clyde.

The above rates are, by another Order in Council, declared to be subject to the following abatements or discounts, to wit:—Over-sea Vessels, Twenty-five per cent. Coasting Vessels, Ten per cent.
