A Medical Revolution!

THE WORLD UNANIMOUS. Holloway's Ointment. The Great Counter Irritant. The virtue of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, containing under its name is rubbed in, is absorbed through the same channels, and reaching the seat of inflammation, promptly and invariably induces its removal located in the kidneys, the lungs, the liver, and any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin, the arteries, the veins, and the lymphatic vessels, diffusing its cold and regenerating influence.

Skin Diseases and Glandular Swellings. Every species of exterior irritation is quickly removed by the antiphlogistic action of this Ointment. Angry Eruptions, such as King's Evil, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Itch, &c., the only to remain cured, under its application. Hospital experience in all parts of the world proves its infallibility in disease of the skin, the nails, the joints and the glands.

Ulcers, Sores, and Tumors. The effect of this unparalleled externally upon Sores, Ulcers, and other external affections is almost miraculous. It first discards the poison which produces suppuration and pond flesh, and then cures which healing proceeds afterwards naturally, as well as permanent.

Wounds, Bruises, Burns, and Scalds. In cases of the fracture of the bone, injuries caused by steam explosion, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household is without it.

Undeniable Testimony. The Medical Staff of the French and English Armies in India have officially signed their approval of Holloway's Ointment, as the most reliable dressing for cuts, ulcers, sores, and gun-shot wounds. It is now used by the surgeons of the Allied Armies.

Extraordinary Cure of a Skin Disease. Mr. C. Smith, the noted hotel and shoemaker, of 115, Toledo street, London, had been severely afflicted with scurvy for four years, the cracks in the palms of his hands were as wide as the thickness of a penny-piece, and his forehead he had been in the hospital for several years, and the doctors of the skin, who he derived no benefit by their medicine, (Holloway's Pills alone have been the means of effecting a perfect cure.

A Singular cure of Scurvy. Henry Vaughan, of Portsea, respectfully and gratefully informs Professor Holloway, that he was suffering for many years with inveterate scurvy; yellow spots appeared on the face and limbs, accompanied by a general debility, and the feet and legs felt breathy, days without being able to sleep, the distemper only aggravated by medical treatment, until he was induced to obtain Holloway's medicine, by the aid of which, he miraculously regained his health and strength in a very short time.

EXTRAORDINARY CURE OF SORE LEGS. Copy of a letter from Mr. Michael Hyatt, of Montreal, dated the 24th August, 1854. Sir,—A man in my employ, named John Jones, was for sixteen years afflicted with the most inveterate scurvy; legs, which formed into large wounds, and were continually flowing out offensive matter, rendering him an object of horror to himself, and those around him. I must admit he was in most shocking state, and I was only out of pity for the poor fellow that retained him in my service. During the whole of this time, I consulted first one party and then another, in the hope of his being benefited, but was without success. I had, I seemed to be, only a wasting man to obtain further advice, and the doctor I consulted said he could never be cured. However, five months ago, I gave him under a course of your Ointment and Pills, and after continuing them regularly, for eleven weeks, his legs were completely sound, and he now enjoys the best of health and recovery. I am, Sir, and ever continuing to be, to the one you acquainted with these particulars, which you may make use of, if you feel disposed. I am, Sir, your obedient servant, J. M. Hyatt.

Both the Ointment and Pills should be used in the following cases:—

- Bull's Eye Corns (Soft) Scalds
Bad Breasts Cancer Scurvy
Burns Contracted Sores-throat
Embruses Stiff Joints Skin-diseases
Swelling of the Throat Rheumatism
Cholera and Cholera Infantum Cholera
Sand-Piles Gout Tumours
Crouping Glandular Swellings (Lungs)
Chicago-Foot Leucoderma Wounds
Chilblains Piles Yaws
Chopped hands Rheumatism

2d.—Any vessel of more than 50 tons burthen, shall perform the aforesaid quarantine in the lazaretto at Escondido, or at the island of Santiago; where she may have passengers or not.

3d.—Any vessel bringing passengers from the above-mentioned ports, shall not bring more than the number corresponding to her tonnage, at the rate of one and a half ton for each passenger; and in this case shall come in ballast, under the penalty of being prohibited from returning to this port during the prevalence of the present epidemic, should the fault be excess of cargo and for that of passengers a fine shall be paid of one ounce of gold, for each passenger extra she may bring; steam packets being always excepted.

4th.—Any vessel arriving loaded from said ports, must not bring more passengers than the number of berths she has in the cabin; and the infractions of this will be punished by the execution of a fine of one gold ounce for each; and should the temerity of the master or owner be such as to bring on deck with deck cargo, the fine will be general, that since the 1st of January doubled, over and above the prohibition last mentioned in a former article. This House at the Port of the Rosario (Provincia) and the preceding one shall come into effect from and after the 1st May.

5th.—Any Master or owner, who does not make a frank and true statement, when questioned respecting the state of his vessel, or what may have taken place on board, without omission of the least circumstance, shall incur a fine of two thousand dollars currency, besides being submitted to trial, should the fraud be detected.

6th.—Any master or owner who may conceal papers, on the occasion of the Sanitary visit, that would reveal the truth, or who may induce the crew or passengers to aid in the deception, shall pay the same fine as that mentioned in the preceding article.

7th.—Any smaller craft, whether whaleboat, lighter or boat, that does not call at the Hulk 25th of May, on coming from the infected ports; and more especially by disguising the port whence it sailed, should succeed in being placed in liberty and afterwards be detected, shall be confiscated, with all it may have on board, without further formality, and the masters and sailors subjected to a rigorous imprisonment to be tried according to our Sanitary laws. This disposition applies equally to the larger coasting craft.

8th.—Any vessel sailing the river, that has been in contact with another that has come from an infected port, or that has received from its cargo of passengers, the master or owner shall be bound to present themselves to the Hulk 25th of May, giving notice of the circumstances, and subjecting themselves to the measures that may be prescribed; under the penalty if they should not do so and should be discovered on presenting themselves for entry at the Office or afterwards, shall incur a fine of two thousand dollars, and the prohibition of returning to our ports during the epidemic.

9th.—Any sea going vessel, anchored in either the Outer or Inner Roads, convicted of having received on board any individual from on board another vessel, shall incur a fine of One thousand dollars for each individual; this applying also to coasting craft.

10th.—Any vessel having sailed from an infected port and called at Colonia, shall not be granted free entry, even should she prove that she did quarantine at the latter port.

11th.—The fines and penalties shall be classified in a short and summary manner, by a Commission appointed by the Superior Government, submitting their execution to the Captain of the Port.

12th.—The proceeds of the fine shall be deposited in the Coeffers of the Maritime Police, to be applied with the sanction of the Superior Government to the expenses of the Sanitary measures.
